

LO STUDIO DEL BELLO

L'eleganza classica del marmo trova in Aesthetica una nuova veste che, partendo da modelli di riferimento apparentemente più comuni, si caratterizza per colorazioni e grafismi assolutamente inediti.

In Aesthetica, the classic elegance of marble finds a new look that stands out by enhancing seemingly common reference models with unprecedented and highly innovative shades.

LAFENZA
TILE WITH STYLE

AESTHETICA

Un classicismo rivisitato che sui tradizionali fondi in bianco, beige, grigio e nero, fa irrompere sulla superficie degli accostamenti di colore sorprendenti, affascinanti, inusuali e di grande impatto scenico.

Per il 2024 LaFaenza, sempre attenta alle principali tendenze in fatto di gusto e di decorazioni di interni, decide di continuare l'esplorazione nei confronti dei marmi e di aggiungere nuove colorazioni, e lo fa a modo suo, con soluzioni fortemente caratterizzate, dallo stile sofisticato.

This restyled classicism combines traditional white, beige, grey and black backgrounds with fascinating and surprising blasts of surface colour to create unusual, high impact effects.

For 2024, LaFaenza, always with a sharp eye on the key trends in taste and interior design, decided to continue exploring the comparisons of marble and adding new colour proposals, and it does so in its own way, with solutions strongly characterised by a sophisticated style.
